RIVER FOREST

EXPERIEN

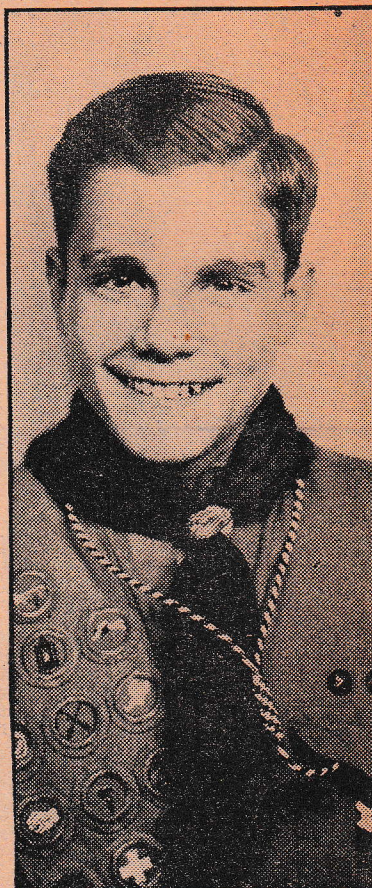

River Forest Eagle Scouts

JOHN ARMSTRONG

Two more young River Forest citizens earned their coveted Eagle Scout Awards at the first fall Court of Honor. Both of these young men came up through the ranks of scouting in Troop 61 of River Forest Methodist church. To many a tenderfoot, it looks like a long, long trail from the first day of scouting till they earn such honors as these boys have attained. So here is the record of their accomplishments in the hope it will encourage some young tenderfoot to stick close to his job till he too becomes an Eagle Scout.

John Armstrong started as a tenderfoot on a cold winter night, January 24, 1933, only three and one-half years ago. He became a Second Class Februry 13, 1934, earned his first class badge on December 11, 1934, got his star award on Lincoln's birthday, 1935 was

CHARLES GRIFFITH

awarded his Life Badge on February 11, 1936, and now has earned his Eagle on October 13, 1936.

Charles Griffith known to the boys as "Chuck" started in June, 1933 as a tenderfoot. He got his Second Class Award at the Big Court of Honor at the high school on February 13, 1934. He quickly moved up to the First Class on June 12, 1934, then Star Award in October, 1934, became a Life Scout in February, 1935, attaining his Eagle Award in October of this year, along with John Armstrong.

These boys have Merit Badge Sashes filled with special awards which would make any Scout proud to possess. But best of all, these young future citizens are going on in scouting, giving their time to helping those younger in the ranks to come up the Scout Ladder.
